Wonderful opportunity to secure this unique home. This charming three bedroom villa boasts significant advantages over most. For those requiring multi-vehicle accommodation this property is perfectly suited.

Not only do you have the double garage but the added bonus of the separate driveway ideal for two more cars, a boat or perhaps the caravan.

The home boasts popular open plan living with its bay windows capturing the natural light offered by its northerly aspect.

The kitchen features exceptional storage and adjoins the meals area.

The appeal of this fine property is enhanced by its most convenient location being only one block to the beach and within easy walking distance to choice of schools, Pier Street Shopping with its restaurant precinct and railway station.
