

11 McBain Street Altona VIC

4  3  2 

A rare opportunity to secure one of Altona's finest homes, built with exceptional standards & impressive architecture, finished off with the utmost quality... comprising 4 bedrooms, master with massive storage space & luxurious en suite. There is a downstairs bedroom complete with bathroom and additional second living area upstairs which leads out to the balcony complete with views. The gourmet kitchen is an absolute stunner! Dual Smeg ovens (includes a steam oven), Smeg 900mm cooktop, dishwasher, soft close hardware to all cupboards/drawers & insinkerator. Other features include stone bench tops, Spotted gum timber floors, zoned ducted heating & cooling, gas log fire in main living area, alarm & camera system, ducted vacuum, frameless shower screens, 2 pack internal doors, double garage with internal access & fully landscaped gardens

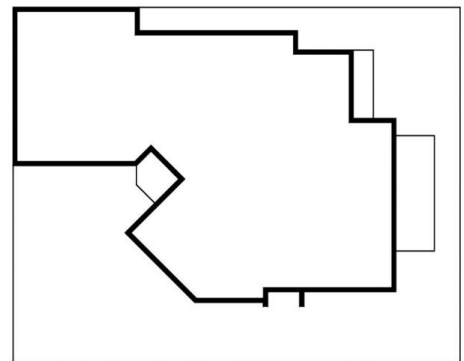

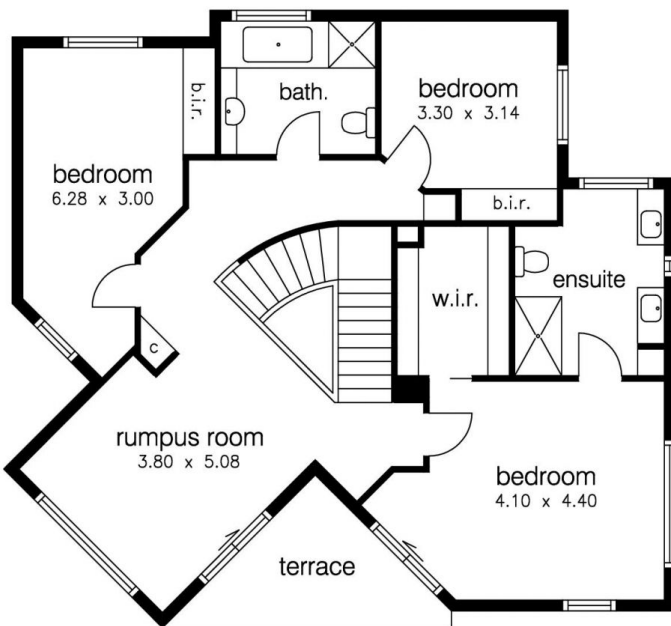

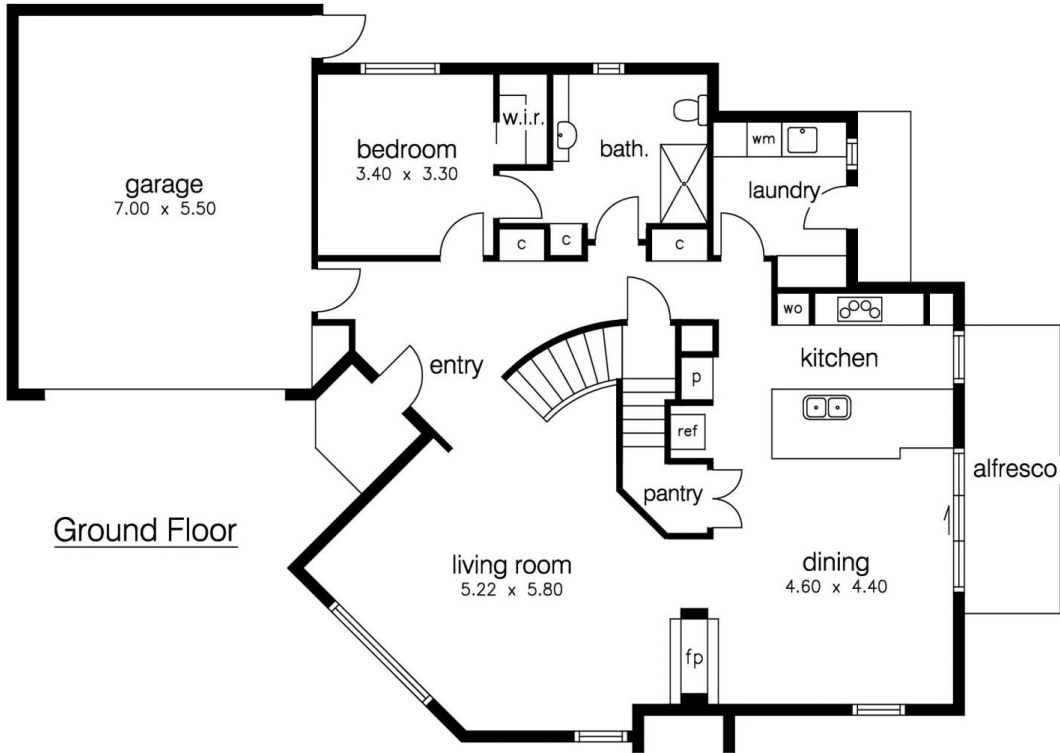

All this located within a minutes walk to Pier Street & Altona
