Wonderful opportunity for those looking to buy your own home or consider the many development possibilities in this highly regarded location. The existing home is deceptively spacious offering three bedrooms, lounge and dining area adjoining the kitchen with the added bonus of a huge rumpus room. The block is approximately 532m2 and would make an attractive development site particularly with the outlook over park at rear. From this convenient location you can walk to schools, shopping, choice of train station or bus and Cherry Lake.
