

2/7 Webb Street Altona VIC

4  3  3 

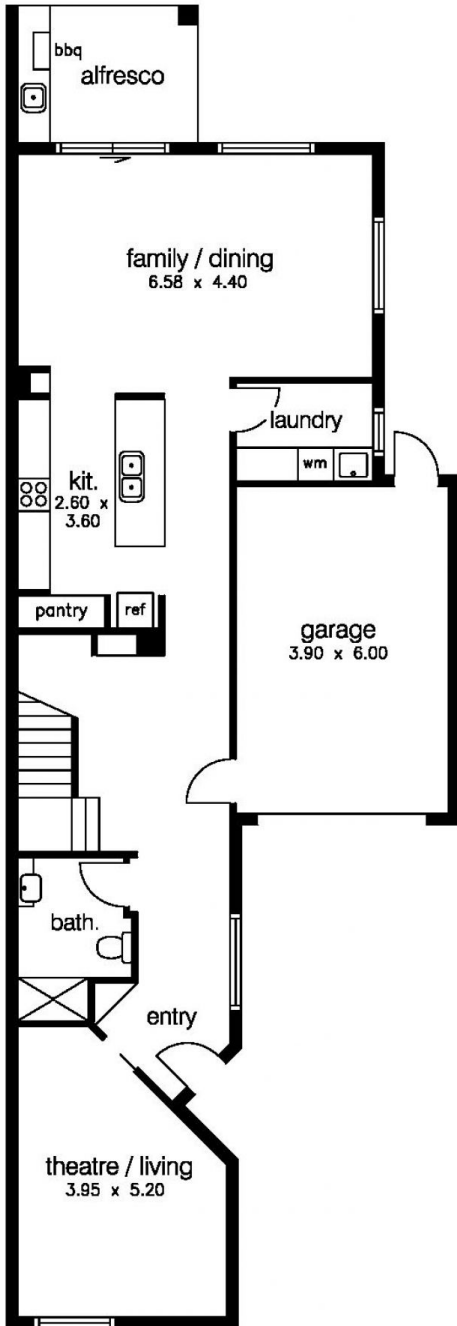

In an enviable location & just a short stroll from the beach & Pier Street, this luxury designed townhouse sets a fresh new benchmark for quality & style with light filled northerly living areas. The impressive contemporary space includes an open plan living/dining area that links seamlessly to the courtyard where an alfresco entertaining area complete with BBQ kitchen awaits. The floor plan is extremely flexible & adaptable to your changing lifestyle needs. The interior comprises 3 large bedrooms with potentially a 4th bedroom downstairs in place of the theatre room & 3 large bathrooms all with frameless showers. Upstairs includes an additional retreat/study nook with a cathedral ceiling that captures the morning light to create a warm & inviting ambience. The chefs kitchen comprises Smeg appliances including built in microwave, stone bench tops, 2 pack cabinets with soft close hardware & walk in pantry.
