2  1  1 

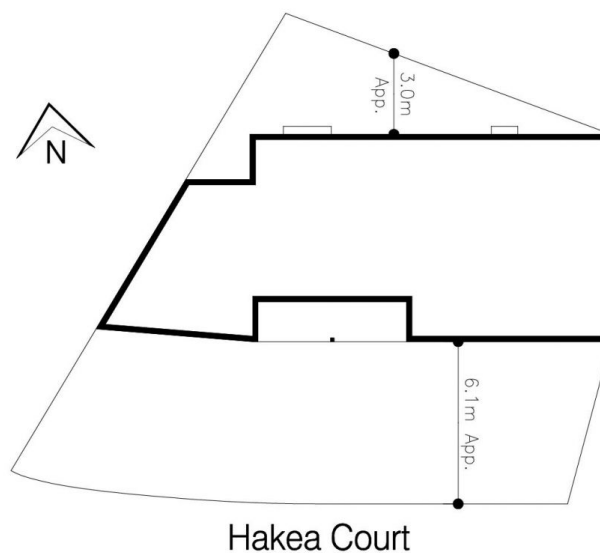

A delight to inspect is this tastefully renovated home. Comprising two-bedroom accommodation, comfortable lounge and modern kitchen with Bosch appliances adjoining the meals/family area. The well appointed bathroom is centrally located with the laundry at rear. Externally the property features lock-up garage and sun filled, north facing private courtyard. Nestled in this quiet tree lined street the appeal is further enhanced by the fact that it has its own title, without common ground and the need for body corporate.
