Nestled within the heart of Altona North is this elegant brand new single-story residence. Featuring four bedrooms the home seamlessly blends modern finishes with refined design, ensuring easy maintenance throughout the year. It offers the convenience of street frontage and private off-street parking through a driveway. Inside, the aesthetic harmony is achieved through engineered hardwood floors, high quality tapware and stone finishes in wet areas.

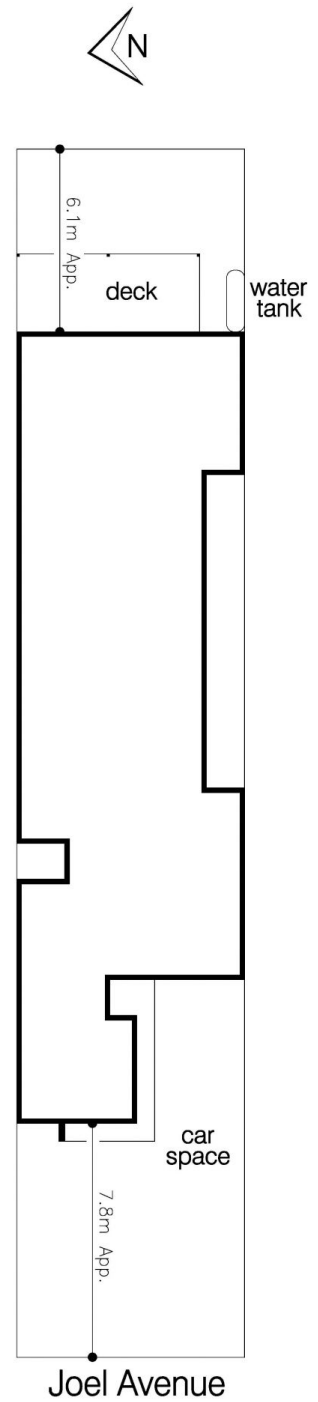

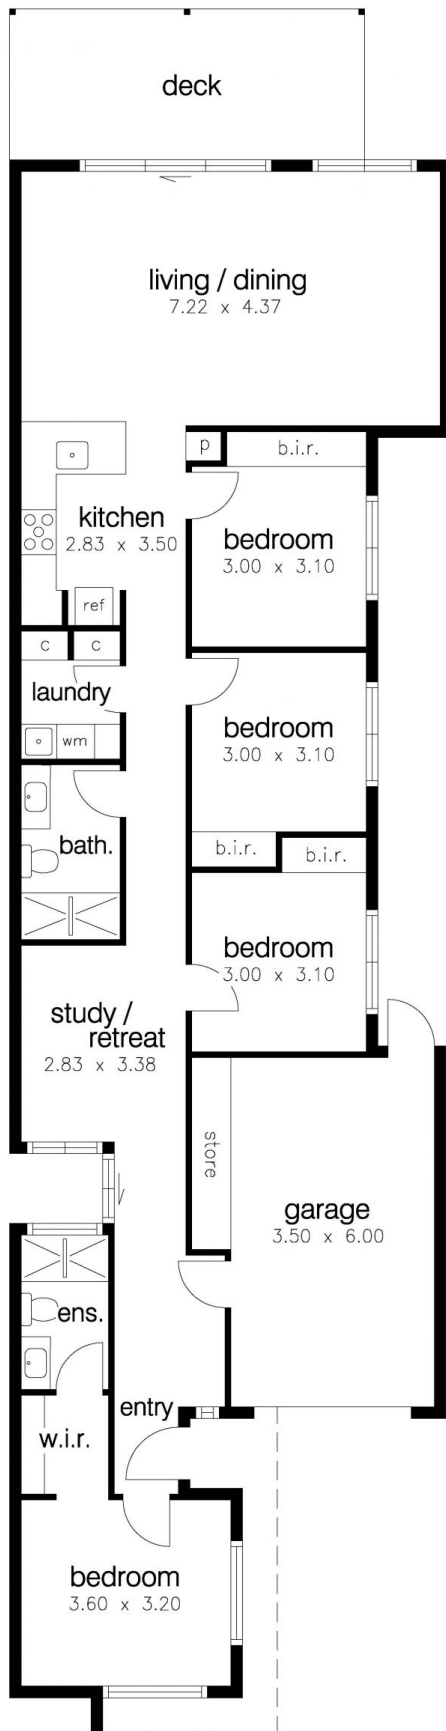

Upon entry the hallway leads to a luminous open-plan space where the kitchen is fitted out with quality appliances & soft close cabinetry. The adjacent spacious meals/family area seamlessly connects to an outdoor entertainer's area overlooking an easily maintained garden.

The beautifully tiled bathroom features a luxurious soaking tub and complements the robed bedrooms, with the master bedroom offering a walk-in robe and a dual-basin ensuite. The property includes a study nook, a full-size internal
